

Jet ski rental pre-season checklist

From BookCollie · <http://bookcollie.localhost/guides/how-to-start-a-jet-ski-rental-business/>

Business and paperwork

- ☐ Business registered, with a business bank account
- ☐ Local business license and sales tax registration confirmed
- ☐ Launch site, beach or marina permit or concession in place
- ☐ Commercial insurance in force, covering riders, passengers and third parties
- ☐ Waiver and rental agreement reviewed by a local attorney

Jet skis and equipment

- ☐ Every jet ski registered, with current numbers and decals
- ☐ Engines serviced; intake grates, impellers and pumps inspected
- ☐ Hulls, steering, throttle, trim and electrics checked
- ☐ Engine cut-off lanyards on every unit, plus spares
- ☐ Life jackets in every size, inspected and dried daily
- ☐ Rescue or chase boat ready, with a tow line

Bookings and money

- ☐ Rates set by rental length and season
- ☐ Deposit, cancellation and weather policy decided
- ☐ Booking site live with time slots, prices and availability
- ☐ Age and boater education questions required at checkout
- ☐ Waivers sending to every rider and passenger automatically

Opening weekend

- ☐ Safety briefing and orientation ride written and practiced
- ☐ Riding area marked, with boundaries and no-wake zones explained
- ☐ Check-out and check-in routine with photos and fuel levels
- ☐ Emergency plan: radios, first aid, who to call, how to recover a stalled ski
- ☐ Google Business Profile updated with hours, photos and booking link
